**NEST
COLLEGE**

Join the new-style residence hall
that places at the center relationships,
talent and fun.

NEST College is your new Italian home and community in Trento.

Not just an accommodation, but an ecosystem of relationships and opportunities where daily life, university studies, transition to work, and openness to the world come together, enhancing the expression of talent and merit in a truly formative life experience.

Being a NEST College student means living at the heart of **an intense community life** and playing a leading role in **a journey full of opportunities** which, in always new ways, will enhance your profile **to maximize your Italian experience**.

NEST College is a cutting-edge facility in design and services.

91 single rooms, 49 double rooms, and 2 triple rooms with private bathrooms and **modern living features**, along with **ideal spaces for studying and sharing**. NEST College includes a **meal plan** with Italian and International breakfast and dinner Monday to Friday, the **cooking corner** and the **exclusive opportunities** reserved for NEST students.
